Dear Kay

Planning consultation: Alford Neighbourhood Plan HRA Screening Assessment

Thank you for your consultation on the above dated 26 November 2018 which was received by Natural England on the same date.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England welcomes the Screening Report which assesses the requirement for Habitat Regulations Assessment (HRA) for the Alford Neighbourhood Plan.

Natural England also agrees with the report's conclusions that the Alford Neighbourhood Plan would not be likely to result in a significant effect on any European Site either alone or in combination and therefore no further assessment work under the Habitats Regulations would be required.

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.

For any queries relating to the specific advice in this letter only please contact Roslyn Deeming on 02080268500. For any new consultations, or to provide further information on this consultation please send your correspondences to consultations@naturalengland.org.uk.

Yours sincerely

Roslyn Deeming
