STATEMENT

(please give a short statement explaining why your area should be considered appropriate to be designated as a neighbourhood area)

Spilsby is a historic market town and parish located at the gateway to the Lincolnshire Wolds in East Lindsey. It is a primary focus for many smaller villages in the surrounding area for shops, services and schools. Spilsby faces many challenges for future development and it is essential that the area has a robust neighbourhood plan that allows for sustainable future development whilst retaining the charm and character of this unique market town.
