STATEMENT

(please give a short statement explaining why your area should be considered appropriate to be designated as a neighbourhood area)

The communities of Belchford and Fulletby have experienced frustration with the type of housing developments in the past. The desire to protect open space and encourage appropriate businesses to invest are also priorities. It is felt that the Neighbourhood Plan will help the community protect its individuality and provide informed community led decisions which will affect the village, giving residents the opportunities to shape the future of Belchford and Fulletby.
