

**Guidance for Businesses in East Lindsey – Policy Addendum**

1. This policy addendum makes provision for a single, one-off payment of £1,500 to each qualifying Additional Restrictions Open business (e.g. a business that has received ARG Open payments from Nov 20 to Mar 21 will receive a single, £1,500 payment).
2. This payment will only be made to businesses that received Additional Restrictions Grant Open payments and have not benefitted from the Restart Grant.
3. This addendum is in line with the following policy provision: ***The Council reserves the right to vary the terms of the scheme at any time should it be necessary to do so.***

Additionally:

4. ELDC's decision is final and there is no right to appeal eligibility for, or value of a one-off payment.
5. All **qualifying** businesses will be emailed with notification of an automated payment, with details of how to notify us of any change to their circumstances which impact their eligibility for this one-off grant payment.
6. This change is intended to support the recovery activities of eligible businesses linked to the gradual easing of operational restrictions.
