

Consultation on the proposed Public Space Protection Order - Anti-Social Behaviour, Crime and Policing Act 2014

In November 2021 East Lindsey District Council's Public Space Protection Order is due to expire. The Order is used to enforce Dog Fouling, Dog Exclusion Zones including seasonal beach ban areas and allows Authorised Officers to request that dogs are placed on leads. The PSPO must be reviewed every three years. We are now seeking to amend the Order to include further dog control restrictions.

Registered blind dog owners and Assistance Dogs will remain exempt from the Order in relation to dog control.

We would welcome your views on the proposed changes to our Public Space and Protection Order.

Before completing this consultation, we would recommend that you read the proposed PSPO. This is available to view at any of our Customer Access Points or online at:

Please return your completed questionnaire to The Consultation Team, Corporate Support Unit, East Lindsey District Council, Tedder Hall, Manby Park, Louth, Lincolnshire, LN11 8UP no later than Wednesday 22nd September 2021.
