Guidance Notes

1. This form is to be used for the notification of up to 2 gaming machines of categories C and / or D under Section 282 of the Gambling Act 2005, or for a new application, variation or transfer of an alcohol licensed premises gaming machine permit under the Gambling Act 2005.
2. The premises must be licensed under the Licensing Act 2003 to sell alcohol for consumption on the premises, without the requirement that alcohol is served only with food and there must be a bar for serving alcohol to customers on the premises.
3. The gaming machines must be located on these licensed premises.
4. A Premises Licence holder is a person holding a Premises Licence under the Licensing Act 2003.
5. There is no statutory limit to the number of machines, which may be applied for although the Licensing Authority has some discretion in this regard. It is East Lindsey District Council's policy that a licensing hearing (consisting of Councillors) must consider any application for three or more machines where Licensing Officers are of the opinion that the premise is not suitable for the number of machines applied for. It is important to note that the hearing is unlikely to grant a permit for more than six machines and even then six machines will normally only be granted to exceptionally large premises. It should also be noted that the Licensing Authority can cancel the permit or vary the number of machines should the premises be mainly used for making gaming machines available for use on the premises (Schedule 13, Paragraph 16, Gambling Act 2005). Further information regarding best practice and the type of premises, which may be suitable for three or more machines, is available from the Licensing Team.
6. A permit for 3 or more machines will be subject to an annual fee. Failure to pay the annual fee may result in the cancellation of the permit. The annual fee is £50.00. There are no annual fees payable for 2 machines or less.

7. The Gambling Act 2005 (and associated regulations) provide for two types of gaming machines, which can be located in alcohol-licensed premises.

These are:

Category	Maximum stake	Maximum prize
C	£1	£100
D	10p or 30p non-monetary	£5 cash or £8 non-monetary

With regard to Category D Machines please note that there are different maximum stakes and prizes for seaside and amusement arcade type crane grabs, coin pushers and penny fall machines. Further information on this type of gaming machine is available from the Licensing Team.

8. All alcohol licensed premises, which provide gaming machines for use on the premises must comply with any relevant Code of Practice issued by the Gambling Commission under Section 24 of the Gambling Act 2005. The Gaming Machine Code of Practice for Alcohol Licensed Premises Permits and Permissions is available via the Gambling Commission's website (www.gamblingcommission.gov.uk). Should you be unclear as to the provisions of the code of practice please contact the Gambling Commission or the Council's Licensing Team.
9. The Licensing Authority must notify the applicant of its grant / refusal of the application for a permit as soon as is reasonable practicable after that decision to grant / refuse has been made.
10. Where you are notifying the Licensing Authority of 2 machines or less, you may wish to request an acknowledgement of receipt of the notification. The form attached to this application can be utilised for this purpose.
