STATEMENT

(please give a short statement explaining why your area should be considered appropriate to be designated as a neighbourhood area)

Coningsby is a large village with an operational RAF base at its core, the village is vibrant and extremely active, the community have experienced frustration with housing developments in the past, the need to protect open space, encourage businesses to invest and improve essential services are high on the list of priorities. It is felt that the Neighbourhood Plan will help the community protect its individuality and provide informed community led decisions which will affect the village, giving residents the opportunities to shape the future of Coningsby whilst retaining the things that make it unique.
