23<sup>rd</sup> April 2014

Dear Anne,

I enclose the application form for the Designation of a Neighbourhood Area together with a map of the whole of Legbourne Parish **outlined in blue**.

In the application form the scope of the plan has been listed and is intended to refer to a strategic approach for the next 15 years so that interested parties may see what we are trying to achieve.

I would also like to thank you again for the recent help and advice you have given to Legbourne Parish Council regarding the above when you last visited us.

Kind regards,

*Mel Chapman*
