**STATEMENT**

**(please give a short statement explaining why your area should be considered appropriate to be designated as a neighbourhood area)**

Woodhall Spa is a large vibrant and active community which has in the past experienced issues with housing development, protection of open spaces and loss of essential services. It is felt that the production of a Neighbourhood Plan will help the community participate in decisions that affect the village and will also give residents an opportunity to express their views on the development of Woodhall Spa; and help maintain the unique character of the village.
