**STATEMENT**

(please give a short statement explaining why your area should be considered appropriate to be designated as a neighbourhood area)

Horncastle is a historic market town and parish located at the junction of the Rivers Bain and Waring **and** at the gateway to the Lincolnshire Wolds.

It is the second largest market town in East Lindsey and is a primary focus for many smaller villages in the surrounding area for shops, services and schools.

Horncastle faces many challenges for future development and it is essential that the area has a robust neighbourhood plan that allows for sustainable future development whilst retaining the charm and character of this unique market town.
