PART 12 About paying housing benefit

Your Housing Benefit will be paid straight into your bank or building society account. Please note that we cannot make payments into a Post Office Card Account, nor can we issue cheques.

In some circumstances we may be able to pay your landlord direct. We can do this if you rent from the Council or a Housing Association. However, if you rent from a private landlord you must tell us why you need to have your Housing Benefit paid direct to your landlord.

If you rent from a landlord other than the Council or a Housing Association, and you would like your landlord to be paid direct, please tick this box

Please give full reasons why you want us to pay your landlord, and your landlord's bank details at Part 15.

Please give us details of the bank or building society account that you would like us to use:

If you want to give us permission to speak to another person about your claim, please give their details here:

If you have an official appointee or someone holds power of attorney for you, please provide the documents regarding this.

PART 14 About your claim start date

Your Housing Benefit and Council Tax Support will usually start from the Monday after the date we receive your claim. Your claim will only be backdated to an earlier start date if you can tell us a good reason why you did not claim before. If you would like your claim to start earlier, or you have sent us your claim early and you want your benefit to start from a later date (perhaps because your circumstances are due to change soon), please tell us the date that you would like your claim to start from here:

If you have asked for us to start your claim from an earlier date, please give full reasons for your late claim at Part 15. You must give us as much detail as possible to enable us to make a decision. Further guidance about backdating your claim can be found at Part 18c.

PART 15 Anything else that you need to tell us

Use the box below to tell us anything else you think we should know about. Please make sure that you tell us about any other income that you have not already told us about on the form. Continue on a separate piece of paper if necessary.

PART 16 Changes you must tell us about

Changes in circumstances can affect the amount of benefit or support you get. If something changes while you are claiming benefit or support, you must tell us immediately. These are the sorts of things, but not everything, that you should tell us about:

Your income or your partner's income

- If you start, change or leave a job or the hours you work change, including regular overtime.
- If you start or stop receiving Statutory Sick Pay / Maternity Pay.
- If you start getting another income such as Tax credits.
- If you start or stop getting a benefit such as Income Support, Job Seekers Allowance, Employment and Support Allowance, Universal Credit or Pension Credit. Also tell us if one of these benefits changes to a different type, for example you were getting Job Seekers Allowance (income based) and this changes to contribution based Job Seekers Allowance.
- If you start getting a pension such as State Retirement Pension or a pension from a former employer.
- If the amount you get from your job, tax credits, pension or any other income changes.

Remember, you must tell us if anyone in your household has any changes to their income. This includes you, your partner, other family members or friends.

Capital you and your partner have

- Any changes to any bank/savings/building society accounts held, such as opening or closing an account, receipt of any lump sum etc. This includes accounts such as TESSAs, ISAs, Paypal, Premium Bonds and Post Office card accounts.
- Any changes to investments or shares held.
- Property – you must tell us if you or anyone in your household becomes an owner or part owner of any property or land either in this country or abroad.
- If the amount of your capital exceeds £6,000, including all savings, investments or bank accounts.

Your household

- If anyone moves in or out of your home – this includes your partner, children, other family, members, lodgers, sub-tenants or friends.
- If a child leaves school.
- If anyone becomes a student or stops being a student.
- If anyone has a baby.

The people in your household and the income they receive can affect the amount of benefit or support you get.

Other changes you must report

- If you move.
- If you will be leaving your property for over 2 months.
- If your rent increases / decreases or the terms of your tenancy change.
- If someone goes into hospital, a nursing home or to prison.
- If you start or stop paying for child care or the amount of child care you pay changes.

Remember

- It is your responsibility to tell us about changes in circumstances – You must tell us immediately to avoid having to pay money back later.
- Don't rely on someone else to tell us.
- If you are not sure than contact us on 01775 761161.
- It is an offence not to tell us straight away about any changes that affect your benefit/support.
- We may take court action against you if you do not tell us about changes and you get too much benefit or support.

PART 17 Declaration

Even if someone else has filled in this form for you, you must sign this declaration if you can.

Please read this declaration carefully and the 'changes you must tell us about' section before you sign and date it.

I understand the following:

- If I give information that is incorrect or incomplete, you may take action against me. This may include court action.
- You will use the information I have provided to process my claim for Housing Benefit or my application for Council Tax Support or both. You may check some of the information with other sources as allowed by the law.
- You may use any information I have provided in connection with this and any other claim for social security benefits that I have made or may make. You may give some information to other organisations, such as government departments, local authorities and private-sector companies such as banks and organisations that may lend me money, if the law allows this. You may also share information between departments of the council, if it is going to be of benefit to me and the law allows this.
- I know I must let the benefit department at the council know about any change in my circumstances which might affect my claim.
- I declare the information I have given on this form is correct and complete.
- I declare that I have read (or had read to me) and understand the changes that I must notify the council of.

I am fully aware that I must declare my full and true circumstances when making a claim for Housing Benefit or an application for Council Tax Support. Once I have made a claim or application I have a legal responsibility to notify the council of any changes in my circumstances.

- For Housing Benefit, I understand that I must notify the change of circumstance within one calendar month of the date the change occurred.
- For Council Tax Support, I understand that I must notify the change of circumstance within 21 days of the date the change occurred.

I fully understand that should I fail to notify the benefit department at the council of any changes in circumstances of myself or other household members promptly that I may be prosecuted in accordance with the Social Security Administration Act 1992 or the Fraud Act 2006.

Date (ddmmyy):

a) Filling in the form

Answer 'yes' or 'no' questions by putting a tick in the relevant box. If you are picking an answer from a list of answers, put a tick in the relevant box. Do not put a cross in any boxes.

If someone fills the form out for you, there is a special space for them to sign.

Your claim may be reviewed periodically either by post or by home visit.

b) Evidence

Throughout this form we tell you that we need evidence of some of the things you have told us about. Please provide this with the form wherever possible as this will help us to process your claim faster. We need to see original documents, not photocopies.

If you do not provide all the proof we need we might not be able to pay you any benefit. We need the same proof for your partner, if you have one, and for any other adults living in your home.

If you cannot send the evidence we need at the moment ensure that you send the form back to us within a month and send the evidence as soon as possible. We can start to process your claim, but we will not be able to pay you any benefit until we have all the evidence.

The following list shows the types of documents you can use to provide evidence:

Proof of your identity

Birth certificate, Marriage certificate, passport, driving licence, UK residence permit.

Proof of your address

A recent gas, electricity or telephone bill, or a credit agreement or similar showing your current address.

Proof of National Insurance number

National Insurance number card, payslips or letters from the DWP or HMRC.

Proof of income

Letters from the DWP or HMRC, Occupational pension slips and letters.

Proof of earnings

This means your last 5 payslips if you are paid every week, your last 3 payslips if you are paid every 2 weeks, or your last 2 payslips if you are paid every month. If you do not receive an official payslip, please request a certificate of earnings form which can be completed by your employer. If you or your partner are self-employed, we need to see your accounts for the last financial year. If you do not have any accounts or you have only just started self-employment, you will need to complete one of our self-employed income forms which are available upon request.

Proof of Student income

The grant or loan award letter.

Proof of rent

Rent book, tenancy agreement, rent receipts or a letter from your landlord.

Proof of money paid out

For child care costs we will need to see receipts or a letter from the child care provider confirming the amount you pay.

For private pension contributions please provide a bank statement showing the amount paid or the pension documentation showing the amount. If you support a child at university, we need to see the grant or loan assessment that shows your contribution.

Proof of savings, capital and investments

Full statements or books from any bank, building society or Post Office accounts. These must show details for at least the last 2 months. Please provide certificates for National Savings, stocks, shares, or unit trusts.

c) Backdating the claim

We cannot backdate your benefit or support claim automatically. You need to prove you have good reasons for not making your claim sooner. These good reasons must exist for the whole period – starting from the date you want us to pay from, right up to the date that you ask us to consider backdating. The law limits how far we can backdate your claim. The maximum amount is 3 months but may be up to 6 months for Housing Benefit if you are of working age. We will need proof of all your income and savings from the earliest date that you want us to pay benefit from, and if your household was different during that period we will need full details of that too.

Social Security Commissioners have already decided that the following reasons are not good enough to justify backdating claims, therefore, we will usually refuse to backdate your claim if your reasons for not applying sooner are that:

- you thought your illness or situation would not last very long
- you did not know about claiming benefit or support
- you were careless and did not bother to make a claim
- you thought that you would not get any benefit or support even if you did claim
- you thought you would only be out of work for a short time

d) Second Adult Reduction

This is a type of Council Tax Support for people who may not have a partner but who share their home with someone who:

- is 18 or over; and
- on a low income; and
- does not pay them rent

If you only wish to claim Second Adult Reduction, we do not need to know about your financial circumstances, only those of the second adult(s). You only need to complete part of this form to claim Second Adult Reduction as detailed on the front page. However, if you complete the whole form we will work out whether you are better off with main Council Tax Support or second Adult Reduction.

How we collect and use information

We will use the information you give in this form, and in any supporting evidence you send us, to process your claim for Housing Benefit and/or your application for Council Tax Support.

We may pass the information to other organisations such as the Department for Work and Pensions and HM Revenue and Customs, as allowed by law.

We may check information you have provided, or information about you that someone else has provided, with other information held by us. We may also get information about you from certain third parties, or give them information to :

- make sure the information is accurate
- prevent or detect crime
- protect public funds

These third parties include government departments, local authorities and private-sector companies such as banks and organisations that may lend you money.

We will not give information about you to anyone else, or use information about you for other purposes, unless the law allows us to.
