The following rules of occupation are for the good management of Mobile Home parks and the benefit of all who use them. Where agreements for the occupation of Mobile Home pitches are entered into, these rules form part of the agreement.

- 1.1 Only Mobile Homes of proprietary manufacture which conform to the definitions contained in the Caravan Sites and Control of Development Act 1960, the Caravan Sites Act 1968 and the Mobile Home Act 1975 are accepted.

3. The Mobile Home may be used by the Occupier and members of their permanent household and bona fide guests only (and in any event for the occupation of such number of persons as shall not exceed the specified number of berths.)
4. Occupiers are responsible for ensuring that their own electrical and gas installations and appliances comply at all times with the requirements of the Institute of Electrical Engineers and/or other appropriate Authorities. The owner will ensure that the installations for supply of electricity are to the same standard.
5. The Occupier must not permit waste water to be discharged onto the ground except in cast of fire.
6. The Occupier is responsible that all household refuse is deposited in approved containers.
7. All vehicles must be driven carefully on the park not exceeding the speed limit of 10mph. Vehicles must keep to authorised parking spaces and to the roads, which must not be obstructed. The prior written approval of the Owner must be obtained before parking commercial vehicles.
