Friskney	S/053/1315/08	Plot north of Rosaura, Church Road		1		1	0	Foundations only, look old and abandoned. No work in progress letter sent 30/9/14 letter sent to applicant 8/12/14 Reply 10/12/14 - plot was transferred to Lincolnshire Trust approx 2 years ago so it is now their decision. Email from Lincolnshire Wildlife Trust 16/12/14 to say that the site was gifted to them and they have no intention to develop it themselves, but to sell it on as a project. The delay has been because of a glut of similar plots available and they want to make the maximum value for the charity. April 17 - update from owner site is to go on the market in the next few weeks.

Woodhall Spa	S/215/2411/13	Plot 2 Land at 22 Horncastle Road			1		1	0	email sent 12/3/14 email to agent 24/10/16 Reply 9/11/16: Since successfully achieving outline planning permission for Plots 1 and 2 at 22 Horncastle Road, Woodhall Spa on behalf of clients we have not been involved in the implementation of the development. It was our clients' intention to market the two building plots and No.22, but we have no information as to the outcome although I note that Plot 1 has been developed under a full planning permission. We notified the clients in September that the outline planning permission was due to expire in February 2017, but have had no response and suspect that they have sold 22 Horncastle Road together with Plot 2 as a single property. I am sorry that we are not able to assist further. Further email same day: Since my email to you earlier today, I had the opportunity of speaking with our clients in regard to 22 Horncastle Road. I am advised that they no longer have any interest in the property having sold all of it to Peter Jackson who has developed Plot 1 and was intending to live in the existing bungalow at 22 Horncastle Road while deciding what to do with it and Plot 2. I hope that this is helpful.
