B4. Please give details of why you consider the Local Plan is not legally compliant or is unsound?

If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your representations.

St Andrew's Healthcare support the proposed main modifications to Tables A and B to take into account the new housing requirement, which includes the past undersupply of housing between 2011 and 2016/17.

In particular, St Andrew's Healthcare welcomes the inclusion of text stating that the housing requirement between 2017 and 2031 is a "*minimum figure not a ceiling*", as it is considered that the objectively assessed need should not be viewed as a maximum.

The proposed main modification is consistent with paragraph 14 of the NPPF which outlines that local planning authorities should, through plan-making, positively seek opportunities to meet the development needs of their areas. In addition, the exclusion of reference to a 'maximum' housing requirement allows for sufficient flexibility to adapt to rapid change in the housing market.

St Andrew's Healthcare acknowledge the proposed main modification to the number of homes distributed to Alford which will be allocated in the Alford Neighbourhood Plan and support the inclusion of text confirming that the allocation of 66 new homes between 2017 and 2031 is "*the minimum amount of housing that should be allocated in that Plan*".

The proposed main modification is consistent with paragraph 184 of the NPPF, in which neighbourhood plans are encouraged to positively plan to support the strategic policies of the Local Plan and allows the flexibility for Alford Town Council to shape and direct sustainable development for more than 66 homes over the plan period.

Please be as precise as possible.

B5. Please set out what changes you consider necessary to make the proposed Main Modification to the Local Plan legally compliant or sound. Having regard to the test you have identified at B3 above where this relates to soundness?

You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please be as precise as possible.
