Dear Gemma,

Planning consultation: East Lindsey Local Plan - Schedule of Proposed Main Modifications (2017)

Thank you for your consultation on the above which was received by Natural England on 08 January 2018.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England has reviewed the main modifications and considers them to be legally compliant and sound and has the following additional comments:

28 SP3 (After paragraph 32)

32ii Whilst Natural England welcomes the addition of this paragraph we suggest that the second sentence would be clearer if it were reworded as follows:

*“Great weight should be placed on conserving the landscape and the scenic beauty of the Area of Outstanding Natural Beauty **because it is a national designation.**”*
