B4. Please give details of why you consider the Local Plan is not legally compliant or is unsound?

If you wish to support the legal compliance or soundness of the Local Plan, please also use this box to set out your representations.

The proposed Strategic Policy 29 (SP29) Reviewing the Local Plan provides an outline review programme in paras. 2, 3 and 4. However, these topics should not be viewed as a definitive or exhaustive list. In particular, the need to review the current settlement hierarchy and distribution of housing should be included to allow consideration of future growth points and a more sophisticated assessment of housing allocations linked to the potential for new infrastructure.

Please be as precise as possible.

B5. Please set out what changes you consider necessary to make the proposed Main Modification to the Local Plan legally compliant or sound. Having regard to the test you have identified at B3 above where this relates to soundness?

You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Para. 2: New sentence included after second sentence: " The current settlement hierarchy and distribution of housing will be reviewed to allow consideration of future growth points and assessment of housing allocations linked to the potential for new infrastructure".

Please be as precise as possible.

B6. Do you have any comments on the updated Addendum to the Sustainability Appraisal or Addendum to the Habitats Regulations Assessment in respect of this particular modification?
