Dear Sir

Main Modifications Pre- Submission Draft Local Plan (2017) Proposed Map Change

The Council has indicated that site SIB303 at Sibsey should cover 8 hectares. However, the area shown on the map measures only 6.6 hectares. If part of this is given over to the school the area for housing will be reduced.

The Council needs to amend the map to show the full 8-hectare extent of the allocation.

Please treat this letter as an objection to the Plan as the boundary line is inaccurate.

Yours faithfully

P.M. Read
