However, you may find it helpful for someone to act on your behalf, such as a family member or a close friend. If this is the case, you must give us your permission before we can do this.

If you want to give us permission to speak to another person about your application, please give their details here:

PART 7 About your application or entitlement start date

Your Council Tax Support will usually start from the Monday after the date we receive your application. Your application will only be backdated to an earlier start date if you can tell us a good reason why you did not apply before. If you would like your application to start earlier, or you have sent us your application early and you want your support to start from a later date (perhaps because your circumstances are due to change soon), please tell us the date that you would like your application to start from here:

|--|--|

If you have asked for us to start your application from an earlier date, please give full reasons for your late application at Part 8. You must give us as much detail as possible to enable us to make a decision. Further guidance about backdating your application can be found at Part 11.

PART 10 Declaration

Even if someone else has filled in this form for you, you must sign this declaration if you can.

Please read this declaration carefully and the 'changes you must tell us about' section before you sign and date it.

I understand the following:

- If I give information that is incorrect or incomplete, you may take action against me. This may include court action.
- You will use the information I have provided to process my application for Council Tax Support. You may check some of the information with other sources as allowed by the law.
- You may use any information I have provided in connection with this and any other claim for social security benefits that I have made or may make. You may give some information to other organisations, such as government departments, local authorities and private-sector companies such as banks and organisations that may lend me money, if the law allows this. You may also share information between departments of the council, if it is going to be of benefit to me and the law allows this.
- I know I must let the benefit department at the council know about any change in my circumstances which might affect my application.
- I declare the information I have given on this form is correct and complete.
- I declare that I have read (or had read to me) and understand the changes that I must notify the council of.

I am fully aware that I must declare my full and true circumstances when making an application for Council Tax Support. Once I have made an application I have a legal responsibility to notify the council of any changes in my circumstances.

■ For Council Tax Support, I understand that I must notify the change of circumstance within 21 days of the date the change occurred.

I fully understand that should I fail to notify the benefit department at the council of any changes in circumstances of myself or other household members promptly that I may be prosecuted in accordance with the Social Security Administration Act 1992 or the Fraud Act 2006.

a) Filling in the form

Please use black ink on this form and do not use pencil. If you make a mistake, just cross it out and put the right answer next to it. Do not use correction fluid or tape.

Answer 'yes' or 'no' questions by putting a tick in the relevant box. If you are picking an answer from a list of answers, put a tick in the relevant box. Do not put a cross in any boxes.

If someone fills the form out for you, there is a special space for them to sign.

Your application may be reviewed periodically either by post or by home visit.

b) Evidence

Throughout this form we tell you that we need evidence of some of the things you have told us about. Please provide this with the form wherever possible as this will help us to process your application faster. We need to see original documents, not photocopies.

If you do not provide all the proof we need we might not be able to pay you any support. We need the same proof for your partner, if you have one, and for any other adults living in your home.

If you cannot send the evidence we need at the moment ensure that you send the form back to us within a month and send the evidence as soon as possible. We can start to process your application, but we will not be able to pay you any support until we have all the evidence.

The following list shows the types of documents you can use to provide evidence:

Proof of your identity

Birth certificate, Marriage certificate, passport, driving licence, UK residence permit.

Proof of your address

A recent gas, electricity or telephone bill, or a credit agreement or similar showing your current address.

Proof of National Insurance number

National Insurance number card, payslips or letters from the DWP or HMRC.

Proof of income

Letters from the DWP or HMRC, Occupational pension slips and letters.

FRBA CTS-UC V2 0918 page 14 of 16

c) Backdating your application

We cannot backdate your benefit or support application automatically. You need to prove you have good reasons for not making your application sooner. These good reasons must exist for the whole period – starting from the date you want us to pay from, right up to the date that you ask us to consider backdating. The law limits how far we can backdate your application. The maximum amount is 1 month if you are of working age. We will need proof of all your income and savings from the earliest date that you want us to pay benefit from, and if your household was different during that period we will need full details of that too.

Social Security Commissioners have already decided that the following reasons are not good enough to justify backdating applications, therefore, we will usually refuse to backdate your application if your reasons for not applying sooner are that:

- you thought your illness or situation would not last very long
- you did not know about claiming benefit or support
- you were careless and did not bother to make an application
- you thought that you would not get any benefit or support even if you did apply
- you thought you would only be out of work for a short time.

How we collect and use information

We will use the information you give in this form, and in any supporting evidence you send us, to process your application for Council Tax Support.

We may pass the information to other organisations such as the Department for Work and Pensions and HM Revenue and Customs, as allowed by law.

We may check information you have provided, or information about you that someone else has provided, with other information held by us. We may also get information about you from certain third parties, or give them information to:

- make sure the information is accurate
- prevent or detect crime
- protect public funds.

These third parties include government departments, local authorities and private-sector companies such as banks and organisations that may lend you money.

We will not give information about you to anyone else, or use information about you for other purposes, unless the law allows us to.

What to do next

When you have filled in the form and read the declaration, please ensure it is signed and send it back to us with the evidence we need to see.

Please return along with any necessary proofs to: PO Box 19, Manby Park, Louth, Lincs LN11 8UP

If you do not want to send valuable items such as bank books or passports in the post you can bring the form and evidence to us. Please telephone 01507 601111 for advice on how to do this.
